# Welcome

Herlufsholm Summer School is two weeks filled with learning, fun and exciting experiences set in the historical setting of Herlufsholm Boarding School, founded in the 16th century.

Herlufsholm Summer School is designed for young people, age 12-16, from all over the world who want to learn Danish and who reside outside of Denmark with their parents, children living in Denmark as expats or Danish children wanting to improve their English skills.

Therefore, the program is for those, who wish to improve their Danish language skills and who want to learn more about Denmark and Danish society and culture, or Danish children wanting to improve their English skills.

Every participant has 4 lessons each day, 3 of which focus on Danish/English reading and writing skills according to the level of each individual.

We group students based on their current Danish/English knowledge with the aim of creating the optimal framework for learning, self-confidence and improvement of language skills.

The participants will be given many opportunities to engage themselves in thrilling and challenging activities while socializing and making new friends with like-minded young people.

Join us at Herlufsholm Summer School!

## Academic Program

The goal of the Danish language course is to improve the participant's oral comprehension and expression, reading and writing skills.

Courses will be designed according to ability levels and taught by experienced, highly qualified language teachers.

## Activities Program

The activities take place in the extensive and modern facilities in and around Herlufsholm's Campus.

Participants will be challenged in various sports as well as creative activities such as drama, music, and art.

In addition to these activities, the program also includes social activities such as bowling, dancing, BBQ, and disco.

We focus on giving the students opportunities to make new friends by starting with icebreakers and team-building the first weekend.

We have also planned a couple of excursions, one of which is to the Danish capital, Copenhagen. In Copenhagen we explore the city, shop and end our trip with a fun time in Tivoli.
